Qualitative

What, if anything, did you find most valuable about this course? -

- This course really helps students practice doing problems, and prepares them for tests.
- The review and explanations of questions regarding the topics in class. It showed us exactly what we needed to do and why.
- Learning more about math is always helpful.
- It taught me so much more than my lecture did.

In what ways, if any, could the course be improved? -

- It's a swell course.
- The professor could be more patient when answering questions for students
