Qualitative

What, if anything, did you find most valuable about this course? -
• Gomes teaches concept centric
• Recitation instructor taught the course way better than my professor, the notes he took on the board were extremely helpful and easy to understand.

In what ways, if any, could the course be improved? -
• Gomes isn't great at answering questions if you don't know what's going on. Gives very short answers and isn't very patient with people who don't seem to know what's going on.
